  - Chapter Membership

COVID in the IFC & PHC Community

Are there COVID cases within our community right now?

Reporting a positive case

1. **Notify your chapter president**
   a. Chapter House (Live-ins)
   b. Residence Hall (Live-outs)
   c. Off-Campus Residence (Live-outs)
2. **President emails the CFSL**
3. **President will message the chapter about the chapter having a positive case and positive persons/close contact need to quarantine/isolate**
4. **President reaches out to Student Health about testing for the house**
5. **Answer the phone when Benton County Health case investigator**

Social Gathering Limit

- **OSU Physical Distancing Policy**
  - 5.1.8 – Student Social Get-Togethers
    - No more than 6 people indoor/outdoor
- **State Guidelines**
  - No more than 6 people from 2 different households
- **Council Bylaws**
  - FSL Social Moratorium
  - More than 3 people in one chapter becomes a chapter-related event
  - Social Moratorium

Hold Members Accountable

Chapters

- Implement policies that hold members accountable for their actions around COVID
- Enforce your own policies
- Inform your chapter president

Oregon State University

- Submit incident report on SCCS
- Contact VP of Judicial Affairs for your council

Testing

- TRACE
- Rite-Aid in Corvallis
- NOVA Health offers rapid tests
  - Located in Eugene
  - Covered by insurance

Quarantine & Isolation

- Members who test positive need to isolate
- Members in the house need to quarantine
- Negative results do not release people from quarantine before the end of 14 days
- Remember to work with your chapter presidents
