

INVENTORS

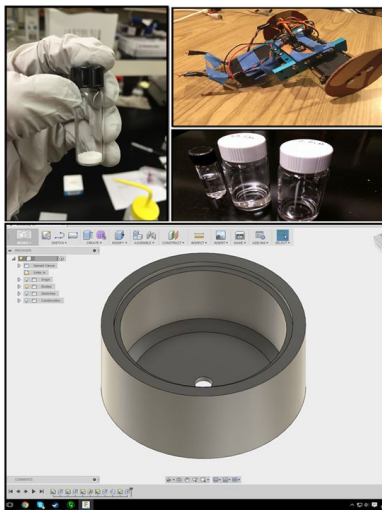

ENTERPRISE

Who we are

We are a new OSU club dedicated to creating an **inventing community** within OSU, while encouraging **ethical idea creation and business practices**.

Previous Projects

- ❖ Sonic Purification System
- ❖ Portable Coffee Brewer
- ❖ Ocean Water Desalination
- ❖ Sustainable Bioswales

Getting involved

Attend a meeting! **Our meetings are every Thursday in Austin 226 @ 6:00pm.**

How it works

1. Group ideation
2. Research and development during meetings
3. Groups work on developing a product throughout the term
4. Prototypes become business ventures
