

Interfraternity Council Values Based Recruiting Pledge – Spring 2017

We as a Fraternity community commit to values based recruitment. We will strive to embody and demonstrate the six core community values: Scholarship, Leadership, Inclusivity, Philanthropy, Community Service, and Friendship. Values based recruitment better the community by welcoming men who are intent on improving and developing themselves to be the best they can be.

As a chapter president, I swear to uphold these community values and ensure that my chapter follows the recruitment guidelines as set forth by the Interfraternity Council (<http://stuorgs.oregonstate.edu/ifc/files>). I promise that my chapter will abide by the following:

- A. All functions and activities involving alcohol or other drugs sponsored by Fraternities for the purpose of entertaining recruits, whether on or off the fraternity premises, are strictly prohibited.
- B. No alcohol or other drugs are permitted on fraternity premises during Recruitment Week, even for those of legal age.
- C. No alcohol or other drugs will be permitted at any location where recruits may be present.
- D. Entertainment at all recruitment-related activities shall be provided from within the male fraternity membership only. Alumni and new members/associates are included in this definition of “membership”.
- E. No women, other than resident advisors, cooks, and member/recruit relatives, shall be allowed in or on any fraternity premises during Recruitment Week.
- F. A list of all planned recruitment events, including times and places will be submitted to the IFC VPs Recruitment by the designated date and time.
- G. The IFC VPs of Recruitment must approve planned recruitment events. The Judicial Committee will hear appeals.
- H. Recruitment Week events organized by IFC member fraternities cannot prevent recruits from attending IFC-scheduled Recruitment Week events.

I commit to leading through change and striving to improve the Greek community through values based recruitment. I understand if my chapter does not follow these guidelines, my chapter will be subject to review by the Judicial Committee per the Interfraternity Council bylaws.

President
