Oracle Database SQL Expert Certification Course

Winter Term 2016
260 Austin Hall, OSU Campus

This 3-credit course prepares you for the Oracle Database SQL Expert certification exam. The course is taught by Joseph Jess of LBCC’s Oracle-certified program, and the certification exam is administered by LBCC faculty. Oracle’s exam cost is $250.

Eligibility: Current and graduated MIS/BIS/CS students familiar with the relational model and SQL. The course does NOT contain an introduction to these topics.
