Events Explained & What to Wear

Orientation 10/1
All those registered for formal recruitment are required to attend Potential New Member Orientation. You will receive your recruitment packet and learn general information about the recruitment process. After the orientation, there will be time to get to know your Gamma Chi and the other individuals in your traveling group.

Attire: Casual.

Sisterhood Round 10/3 - 10/4
You will have the opportunity to visit with members from all Panhellenic chapters at their chapter house.

Attire: Wear something casual (jeans). These days are informal, so choose something you would wear for class.

Philanthropy Round 10/5
On this day you will learn more about the chapter's unique philanthropies.

Attire: Slightly nicer than Sisterhood Round. Think casual elevated, fun pants, jeans, nicer shorts, comfy rompers, etc.

Preference Round 10/7
During this event, you will not only be served a dessert, but you will also participate in a ceremony of the day. Think about going to a brunch. Examples include dresses, short dresses, nice skirts, slacks. This is the most formal round.

Attire: Wear something formal (jumpers, long/short dresses, nice skirts, slacks). Remember to wear a layer underneath whatever you choose to wear so you can change into your new sorority t-shirt.

Chapter Round 10/6
Chapter Round is an opportunity to take a look at the individual personalities of each sorority. This is the day when bids are given to potential new members. New members are taken back to the chapter houses so they can get to know their new sisters better!

Attire: Wear something casual (jeans, shorts, skirts). You are never eliminating a chapter, only ranking them. You will vote to narrow down your chapters. You are never eliminating a chapter, only ranking them. You will vote to narrow down your chapters. You are never eliminating a chapter, only ranking them.

Remember to wear comfortable shoes all week!

At the end of each round, you will receive a personalized schedule for each round.

Be prepared for the Oregon weather by a change of shoes, rain jackets, and umbrellas.

Please visit the Panhellenic website (stuorgs.oregonstate.edu/phc) for more information about outfit suggestions or contact your Gamma Chi with questions.
Recruitment Guidelines

+ Alcohol is not permitted at any time during Formal Recruitment. This includes all activities involving New Members until 8:00 a.m. on Thursday, October 10th. Any woman found breaking this rule can be removed from the recruitment process.

+ Potential New Members (PNMs) need to bring their OSU student ID with them at all times.

+ Sorority members may not promise bids or invitations will be extended to the PNM, and they may not suggest that they will see the PNM during the next rounds.

+ Sorority members may not hold any events with PNMs present outside of the hours established for Formal Recruitment beginning the first day students move into the Residence Halls and ending with Bid Day.

+ All communication between sorority women and PNMs outside of the hours established for Formal Recruitment is to be kept to a minimum. This period is called the limited contact period. There will be no purposeful seeking out contact with PNMs by sorority women during the time of Fall Formal Recruitment.

Recruitment Code of Ethics

We, the members of women’s fraternities at Oregon State University, agree to promote honesty, respect, sisterhood and cooperation within the College Panhellenic, our respective chapters, and in our daily lives. This code of ethics is designed to inspire our members, reinforce exemplary conduct and values-based leadership, and perpetuate lifelong membership to enrich the sorority and Panhellenic experience. We, as Panhellenic women of Oregon State University agree on and commit to:

+ Uphold and demonstrate the Panhellenic spirit in thought, word and action through our chapters as well as individual members.

+ Demonstrate ethical behavior and conduct ourselves in a manner consistent with the mission and values of the College Panhellenic, each inter/national organization and our university.

+ Respectfully adhere to the Unanimous Agreements and all policies established by the National Panhellenic Conference.

+ Plan recruitment events that provide opportunities for the greatest possible number of women to become fraternity members while protecting the rights and privileges of individuals and the chapters.

+ Provide a safe, positive and enriching recruitment experience understanding that membership is a social experience arrived at by mutual selection.

+ Strive to be truthful, honorable, open and friendly to all potential new members during all recruitment events.

+ Avoid disparaging remarks about any fraternity or collegiate woman and refrain from discussing Panhellenic matters with nonmembers, in accordance with the dignity and good manners of fraternity women.

+ Be respectful of the rights of every potential new member to make their own choices, including the right not to join the women’s fraternity community.

+ Refrain from limiting a potential new member’s chances of becoming a member of the Panhellenic community by encouraging them to make a single intentional preference or to limit their choices.

+ Recognize friendly relations with all collegiate women, both fraternity members and nonmembers, realizing the importance of creating and building friendships.

Decoding the MRABA

MRABA stands for Membership Recruitment Acceptance Binding Agreement. It is the document that is signed right before final selections are made during Preference round. The MRABA is broken down into nine sections. However, the first six sections are intended for PNMs to read and understand. It is important that you fully comprehend the contract before making your final preferences. This information is provided to help you break it down!

1. I am willing to accept an invitation to membership from any sorority or women’s fraternity that I list on this agreement.
   + PNMs should only list the chapters they are willing to join.

2. I may limit my choices to just one OR list any sorority or women’s fraternity whose preference-round (last) event I attended, and from which I am willing to accept membership.
   I realize that by not listing the maximum number of events I attended, I may be limiting my potential to join any other NPC group during formal recruitment should I not be placed with my choice(s).
   + A PNM can only rank chapters whose final (preference) events they attended (if they went to A and B, C isn’t an option).
   They don’t have to rank all the chapters they attended, but we encourage them to maximize their options, because it gives them a better chance of being matched to a group.

3. Once I submit this agreement to the Panhellenic Association, I cannot change the order of my preferences or add or delete a preference.
   + Once the form is signed and submitted, the order of the chapter list and selections cannot be altered.

4. If I do not receive an invitation to membership from a group listed, I am eligible for continuous open bidding.
   + If a PNM does not maximize their options and doesn’t receive a bid from a group listed on their MRABA, they can join any chapter through continuous open bidding (COB) or informal recruitment. This is only available to groups that have open spots in their chapter.

5. I have the option of not submitting an agreement at this time.
   + A PNM does not have to submit an MRABA, which results in them being removed from the recruitment process.

6. Once I submit this agreement, I am bound by the National Panhellenic Conference one calendar year rule. This rule states that if through the formal membership recruitment process, I receive a bid and decline it, then I am ineligible to be pledged to another NPC fraternity on the same campus until the beginning of the next formal membership recruitment period.
   + If a PNM receives a bid from a chapter they list and then later chooses not to be pledged or initiated, they cannot join another NPC group on that campus until the next formal membership recruitment period. If they are not initiated and transfers schools, they can participate in recruitment at the first opportunity on the new campus.
Each sorority has different dues & charges that are outlined in the finance section on each “Chapter Spotlight” page. It is important that you fully understand the financial obligations that coincide with membership.

**New Member Fee**
This fee typically includes a pledging fee, initiation fee, and badge fee. This fee is only for your first term as a member.

**Live-Out Member Costs**
This is the cost when you are initiated into your chapter and live out of your chapter house. This would be for the terms after you are initiated into your chapter.

**Live-In Initiated Member Costs**
This is the cost when you are initiated into your chapter and live in your chapter house. All chapters have minimum requirements for how many terms you have to live in the chapter house.

**Total First Year Costs**
This is the total cost for the first year as a member. This includes fees for New Members and the Live-Out costs. Some chapters have an additional new member facility fee.

Items that are typically not included in these costs are apparel, other chapters’ philanthropy events, and participating in extra sisterhood or social events. These are all optional purchases for you to enjoy!

**Active/Collegiate Member**
Someone who has completed their new member/pledge period and has been initiated into the sorority or fraternity.

**Alumna**
An initiated sorority member who is no longer active in a collegiate chapter.

**Bid**
An official invitation from a chapter to become a new member.

**Campus Total**
The allowable chapter sizes as determined by the college Panhellenic.

**Center for Fraternity and Sorority Life (CFSL)**
The office on campus that provides support and resources to all 47 sorority and fraternities on campus.

**Chapter**
Each national sorority and fraternity has individual chapters of their organization at different colleges or universities. Some organizations also refer to their weekly meetings as “Chapter.”

**Continuous Open Bidding (COB)**
If a sorority does not reach the allowable membership total during formal recruitment, they may hold informal recruitment events and offer bids to potential new members.

**Gamma Chi**
A collegiate sorority member who disaffiliates from their individual chapter to help PNMs with an unbiased perspective during Formal Recruitment.

**Initiation**
Formal admittance into the sorority/fraternity. The new members participate in a ceremony that marks formal admittance into the sorority/fraternity. The initiation ceremony is secret and rooted in history. Hazing is not tolerated as a part of initiation.

**Intake**
Term for the process by which NPHC and UGC members are selected to become new members of an organization.

**Interfraternity Council (IFC)**
A fraternity-only governing council for the traditionally housed fraternities on campus.

**Legacy**
Someone whose mother, sister or grandmother is a member of a particular sorority. Each sorority has different policies when it comes to legacies.

**National Panhellenic Conference (NPC)**
Founded in 1902, NPC provides support and guidance for 26 member inter/national sororities/women’s fraternities and serves as the national voice on contemporary issues of sorority life. The NPC oversees the Panhellenic Council on campus.

**National Pan-Hellenic Council (NPHC)**
A council composed of nine historically (but not exclusively) African American Greek-letter organizations.

**New Member Education**
The time between pledging and initiation where the new member learns about the sorority before becoming a collegiate member. It is typically 8-10 weeks long.

**Quota**

**Single Intentional Preference**
When a PNM attends more than one preference event, but limits their membership selections by not listing all their sorority options on their MRABA.

**Philanthropy**
A charity or fundraiser that the fraternity or sorority supports. Can be national or local or both.

**Potential New Member (PNM)**
A person who is interested in joining a Greek letter organization, and will participate in recruitment, COB, or intake.

**Recommendation/Reference**
A written letter or statement from an alumna on the sorority’s official recommendation form introducing and recommending a PNM for pledging. Also called a “rec.” Letters of recommendation are not required to join an organization.

**Unified Greek Council (UGC)**
A council serving members of the multicultural fraternities and sororities, including Latinx, Native American and Asian Pacific Based chapters.

Sticker Explanation

Throughout recruitment there are Gamma Chi’s who are disaffiliated members of our Panhellenic Community. They are here as resources to every Potential New Member and have a well rounded understanding of the Panhellenic Community.

These women have all been trained on the Formal Recruitment process. Below are different stickers that you can find on the Gamma Chi’s name tags throughout recruitment to help you talk with someone who has a similar experience to you!

 Legacy

This member was a legacy to a Panhellenic sorority throughout the recruitment process. This means either their mom, sister or grandma was a member of a sorority that we have at Oregon State. They did not necessarily join this chapter.

 Pays Sorority Dues

This member pays their sorority dues without assistance.

 First Sorority Member in the Family

This member was the first person in their family to join a sorority.

 Part Time Job

This member has a job either on or off campus on top of being a college student and a sorority member.

 Out-of-State

This member is not from Oregon.
Recruitment FAQ’s

Q: Do I need to go to all of the events listed in the recruitment schedule?
A: YES. If you intentionally miss an event to which you were invited, you are not maximizing your options and will be released from the rest of the recruitment process.

Q: What if I receive a bid and turn it down?
A: If you wish to join a sorority after preference night, you will fill out a Membership Recruitment Acceptance Binding Agreement (MRABA) before you make your chapter selections. When you sign your MRABA, you are willing to join any of the chapters you list on the document. The document is binding for one calendar year. This means if you receive a bid and do not accept it, you will not be allowed to join another sorority until next Fall Formal Recruitment. If you decide to not join a sorority before you fill out the MRABA, you may participate in Continuous Open Bidding (COB).

Q: If I participate in formal recruitment, am I obligated to join a sorority?
A: No, a potential new member that goes through the recruitment process is not obligated to join a sorority. The recruitment process is for potential new members to explore fraternity and sorority life to see if it is the right fit.

Q: If I am a legacy to a sorority, is there anything I should know?
A: Panhellenic does not have any specific policies regarding legacies. Each chapter has its own policy and procedure regarding legacies. Likewise, legacies are not obligated to join the chapter they are a legacy to.

Q: What is “mutual selection”?
A: “Mutual selection” is the process we use for formal recruitment. It means that as you go through the rounds, you’re narrowing down your choices, as well as the chapters are narrowing down the amount of PNMs they are inviting back. To put things simpler: You choose them AND they choose you. All in all, the mutual selection process is there to help you and is proven to be successful.

Q: What if I want to be in a specific sorority?
A: Only wanting to be a member to one specific sorority or only considering a few sororities can severely limit a PNM’s options for membership, and can lead to disappointment. Don’t choose a sorority based on stereotypes or other’s opinions. We encourage you to keep an open mind about all the chapters and make a decision that is right for you.

Q: How much of a time commitment is being in a sorority?
A: Each sorority has basic time commitments and mandatory events such as chapter meetings and New Member meetings once a week. Some chapters may require study hours. Time commitment for being a sorority member can vary from one woman to another depending on chapter positions and outside commitments. But many sorority women are able to manage sorority responsibilities, jobs or internships, academics and involvement in other campus organizations. If you are interested in joining a sorority but have concerns about the time commitment, feel free to ask members during recruitment how they balance their time!

Q: What questions should I ask during recruitment?
A: One of the best questions to ask a woman in a chapter is why she decided to choose her chapter. Other questions include: What does your chapter mean to you? How have you benefited from being a member of your chapter? What is your favorite memory with your chapter? What kind of scholarship and awards program does your chapter have? What kind of leadership opportunities does your chapter offer? The best way to get to know a chapter is by asking questions that matter to you.

The Affiliated Housing Program

The affiliated housing program is a first-year housing program that provides the opportunity for new members to live in the sorority house as an approved exemption from living on campus. Only two of our Panhellenic chapters participate in this program, Alpha Omicron Pi and Kappa Delta.

If a first year student who is a member of one of these chapters would like to live-in their sorority house, they can submit a request for an exemption on their MyUHDS page. For more information, contact The Center for Fraternity & Sorority Life at cfsl@oregonstate.edu or 541-737-5459.
