SWE Chair Program

This fall term, SWE is rolling out a new program called the SWE Chair Program. This is for girls new to SWE who want to get started in a leadership position early and learn more about the club!
How does it work?

● 4-5 people will be selected to participate in the program during the fall term
● Each participant will be partnered with SWE officers on a rotating basis throughout the term
● While paired with an officer, you will learn about the different aspects of that officer position and help out with various tasks.
  ○ Ex. If you were paired with our event planners, you might learn how to order catering from OSU or brainstorm ideas for future events.
Why is this beneficial?

- Puts leadership experience on your resume early on in college
- Great way to try out different officer positions
- Gain officer experience for SWE or other clubs
- Make new friends in SWE!
How do I apply?

- Create a slide (PowerPoint, Google Slides, etc.) introducing yourself and explaining why you are interested in the position and send it to Riley by Sunday October 13th
  - humberri@oregonstate.edu
- At the next SWE meeting, you will present your slide
- Send us an email if you have any questions!
